

BA (History, Economics, Politics)

About the Program

The course BA (History, Economics, Politics) is an undergraduate academic program that offers a comprehensive and multidisciplinary study of three crucial disciplines: history, economics, and politics. This course aims to provide students with a well-rounded understanding of the social, political, and economic forces that have shaped and continue to shape societies and nations.

Andhra University has combined these three disciplines online where students are encouraged to develop a holistic perspective on societal development, political decision-making, and economic policies. They learn to analyze issues from different angles, fostering critical thinking and problem-solving skills.

Eligibility:
